

All channel is attached using our Henrob self piercing riveter system.

## RIVETED CHANNEL, PLATE AND POSTS

Traditional panel and channel system, popular for road signs and long term signage.

- Standard sizes and shapes in stock (see over page).
- Custom sizes available and can be dispatched within 24 hours.

*We will need to know:-*

### 1. PANEL SIZE – WHAT SIZE WOULD YOU LIKE?

We offer cut to size panels with medium grey or white riveted channel (we also offer a shaped panel option - please send an EPS or AI file of the shape you would like) routed.

### 2. IT ALWAYS LOOKS BETTER IF YOU ROUND THE CORNERS...

There's a choice of different corner radius - 6mm, 12.5mm & 18mm

### 3. WHAT MATERIAL WOULD YOU LIKE THE PANEL MADE OUT OF?

We supply all panels in 11 gauge (2.85mm) grey back / mill face solid aluminium, grey channel (the traditional choice)
